

## **INDIVIDUAL INCOME TAX SERVICES**

**e-File – No paper return is mailed, rather Cpa files your return via computer; you wait 2-3 weeks (instead of 6-8 weeks for paper mail in) for the IRS to mail or direct deposit your refund without additional charges; you pay Cpa Services\* with your check upon receipt of work.**

Paper File – Cpa prepares the traditional paper long Form 1040 with all required schedules. You sign and mail the return to IRS.

Our fees are lower than H&R Block and other competitors.

We provide you with the personal confidential service you deserve.

\*Cpa Services vary per complexity of return; the average fee is \$ 212 including the professional tax preparation and e-filing costs.
